## Introduction

Thank you for your interest in the Wausau East High School Auditorium. This document is intended to serve as a technical introduction to the physical specifications of the stage at the Wausau East Auditorium. It is to be used as a guide to the facilities, the equipment and the logistics of the East Auditorium. It is by no means the “Last Word”; some equipment may be under repair, lost, damaged or replaced. If you have any questions, please feel free to call the AV Technician for any clarification to questions that may arise.

## Management

### Dressing Rooms

Dressing rooms are located on the main floor behind the stage. Each of the two 10ft x 10ft Dressing rooms has a toilet and sinks and shares a common make-up room. **No showers available.**

### Make-up Room

The shared make-up room has 12 stations. Each station has duplex outlets and lighted mirror. The countertops are ADA compliant.

### Crew

The Wausau East Tech Crew is available. Wausau East Tech Crew is a high school student organization that provides a professional theater experience for all that use the East Auditorium. Arrangements need to be made with the Tech Crew advisor two weeks before the event to insure a proper size crew.

### Handicapped Access

All make-up stations are at ADA compliant handicapped height. Handicapped restrooms are available in the dressing rooms and in the main lobby. An ADA compliant elevator is available for access to the tech booth.

### Policies

**It is in your interest to make sure everyone in your group or company are aware of the regulations that apply to everyone using the stage to avoid any misunderstanding.**

- Please refer to the Wausau School District Policy number 1630 for use of school facilities. These policies are located on the Wausau School District Website. [www.wausau.k12.wi.us/policies/](http://www.wausau.k12.wi.us/policies/)
- The Auditorium is located at the Wausau East High School. The Auditorium is in a smoke-free and alcohol-free building and on a smoke-free and alcohol-free campus. Smoking and alcohol beverages are prohibited on District property. Violations of this policy will result in immediate termination of a contract and denial of future building and site use.
- The sale, distribution, or consumption of drinks or any kind of food is prohibited unless specifically approved in writing by the Superintendent of Schools or designee.
- Building is normally opened for performers ½ hour before scheduled start time listed on the contract.
- Unless otherwise noted the house usually opens 30 minutes before show start time.
- AV Technician must be informed of the use of any pyrotechnics, smoke, fog, haze, or strobes before load-in.
- All Wausau School District students must be out of the building before 10:00 PM on school nights.
- Food, Drinks or Liquids of any kind are not to be taken to or consumed in the Tech Booth, Auditorium, On Stage, or Back Stage Areas. The only exemption is when it constitutes part of a legitimate performance. The only areas exempt from the policy is the Dressing Rooms.
- Any company or act intending to use naked flames/pyrotechnics on stage should notify the Theater Technician two (2) weeks prior to arrival and subsequent performance. A person familiar in the use of Fire Extinguishers must be present at the time of use. Fire Extinguishers are situated at both sides of the stage. The same policy applies to the use of inflammable liquids and materials such as straw. **In some cases permission will not be granted.**
- The painting of sets and scenery should be completed prior to arrival at the Auditorium, by prior arrangements some painting may be allowed in the Scene Shop. Painting will not be allowed on stage apart from minor touch ups, and only then if the stage floor is protected
- Any lighting fixtures brought into the Auditorium for use on stage must be complete with safety chain and be with in the P.A.T wiring and electrical appliance regulations; this also applies to any portable equipment used in the Auditorium, i.e. P.A. equipment, light fixtures, and any other portable electrical equipment.

- All flats, scenery, drapes, costumes and props etc. must be fireproofed prior to use in the Auditorium.
- The use of aerosol paint sprays must not be used anywhere inside the Wausau East High School.

## Load-in facilities

### Driveway & Docks

Driveway is at ground and stage level. No truck-trailer level dock is available.  
The driveway is 11foot 2 inches wide and 45foot 5 inches long.

### Load-in Area

The load-in area also doubles as the theater’s scene shop. A 6 foot path from the driveway to the stage will be cleared for the load-in.

### Garage Doors

Three garage doors measuring 10 feet wide and 11 feet 11 inches tall will get you on stage from the driveway. The stage garage door is located Up Stage Left.
